

NOTICE OF FALL PRIMARY AND SAMPLE BALLOT

September 9, 2008

From the Office of the Clerk of Town of Union

To the Electors of Union:

Notice is hereby given of a fall primary to be held in on the 9th day of September, 2008, at which the officers named below shall be nominated. The names of the candidates for each office, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, together with the questions submitted to a vote, for a referendum, if any, in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the fall primary, where paper ballots are used, the elector shall connect the arrow next to the name of the candidate of his/her choice. To vote for a person, whose name does not appear on the ballot, write in the name of the person of your choice in the space provided for a write-in vote and connect the arrow.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth. Unofficial ballots or a memorandum to assist the elector in casting his or her vote may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After casting his or her vote, the elector shall leave the booth, insert the ballot in the voting device, or deliver the ballot to an inspector for deposit. The elector shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English, or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.
